Beneficiaries have an additional 15 days to provide their Tax Identification Number (NIF) and IBAN, essential for the payment to be executed. Failure to provide these elements within the additional period will result in the beneficiary losing the right to the prize.

Beneficiaries with tax residence outside Portugal

Following formal notification of the award, beneficiaries with tax residence outside Portugal have 30 days to submit to the Federation:

- A valid tax residence certificate;
- The Modelo 21-RFI form duly completed and certified by the competent tax authorities.

If these documents are not submitted within the indicated period, the Federation will apply withholding tax at the legal rate in force, remitting the amount to the Autoridade Tributária e Aduaneira.
